And What Have You

By BOB CRAIG

Thanks to the Coahoma Bulldogs and their 15-14 win over the Anson Tigers Friday night, the Pipers are back in the running for the District 6-AA title chase. But their real test will come this Friday when they host the Ballinger Bearcats.

The Bearcats are undefeated and are favorites to win the district this season. Ballinger is the only remaining undefeated team in the district and are ranked in the top 10 of both the AP and Harris rating systems.

For the Pipers it will be their only chance to stay in the title race as a loss to Ballinger would just about eliminate any chance for even a share of the title. The Pipers must win their next four games and then hope that Anson loses or ties one of their remaining four games for the Pipers to make it into the playoffs for the fourth year in a row.

The Pipers must play at their best this week and will need all of the support they can get from their fans if they are to knock off the Bearcats. Like Anson, this is the week that the Ballinger team has been looking forward to since their 10-7 loss to Hamlin last year.

Newspapers across the state recently received notice about the changes in state laws regarding political advertising and this has brought on some editorial comments that are worth repeating here.

It will probably be next spring before there will be any amount of political advertising being placed with us here at the Herald, but it seems well to point out some of these changes in advance.

One change is that now newspapers may not charge any more for political advertising than for other categories of advertising. This does not affect us because we have always charged the same rates.

The one big change that will have an effect on us and most newspapers is that the new law requires cash with copy for political advertising and there are penalties for not getting cash with order. The penalties are quite severe. The state can collect a fine of triple the value of the political ad plus another \$10,000. Any officer or director of a corporation consenting to the extension of credit for a political ad can be fined \$5,000 and imprisoned for five years.

This means us, because the Herald is owned by a corporation and we are president of it. As some publishers have stated, we do not know if this law will be tested, but we don't have any desire to be the one to find out.

We have always tried to have a cash with order policy for political advertising because it is hard to collect from a losing candidate, but have not enforced this locally to any great extent. But from now on even our best friends had better plan on paying cash in advance for any political advertising they wish to place in the Herald.

The question of publishing name and address on the ad has also been toughened up. We are required to print on the political ad the name and address of either the person who personally entered into the contract or transaction with the printer or publisher or in whose behalf such contract or transaction was entered into.

Each candidate is required to name a campaign treasurer before making any campaign expenditure.

This is a little early to worry about political campaigns but we just want everyone to know in advance that we are not picking on you when we require cash in advance next spring when the primary elections get underway.

2 Convicted In Welfare Fraud Cases

A Hamlin man and a Stamford woman have been the first to be convicted of defrauding the welfare department in connection with the recent arrest of several persons in Jones County found to be in violation of welfare requirements.

Albert Williams of Hamlin pleaded guilty in Jones County court last Tuesday and was fined \$200, given a 30-day jail term and asked to make restitution to the State Welfare Department.

BEARCATS RANKED THIRD IN STATE—

Pipers to Host Ballinger In Crucial 6-AA Contest

The District 6-AA title could be on the line here Friday night when the Pipers host the Ballinger Bearcats, ranked third in the state in the AP poll. Kickoff time for the contest will be 7:30.

The undefeated Bearcats will be coming off of a week's rest and are 5-0 for the season and 1-0 in district play. The Pipers are 4-1-1 for the season and 1-1 in district play. The only common foe of the two teams is Winters with the Bearcats defeating the Blizzards 35-7 and the Pipers defeating them 59-8.

The Pipers moved back into contention for the District 6-AA title this week following Anson's loss to the

Coahoma Bulldogs Friday, 15-14. Coahoma now leads the district standings with two wins and no losses. Stamford and Ballinger each own one win and no losses while Hamlin and Anson each have 1-1 records. Winters and Colorado City have lost both their conference games.

While Coahoma was defeating, Anson 15-14, and Hamlin was running over Winters, 59-8, the Stamford Bulldogs were defeating Colorado City, 27-20, to round out last week's district play. This week Stamford and Anson will play at Stamford and Coahoma will host Winters.

The Bearcats have scored

120 points this season while holding their opponents to 27. They defeated Brady, 20-7; Regan County, 14-0; Ozona, 31-6; Coleman, 20-7; and Winters, 35-7.

The Bearcats operate from a Wishbone attack with Joey McQueen, 155-pound senior, at quarterback. Last year McQueen completed five of nine passes against the Pipers for 87 yards and one touchdown. Making the Wishbone go for the Bearcats is their big fullback, Tim Travis, 200 pound senior. The two halfbacks are Ellis Snell, 185 pound junior, and Mike Rodriguez, 175 pound senior.

Rodriguez was the leading ground gainer last year when

the Pipers defeated the Bearcats, 10-7. He carried the ball 22 times for 93 yards.

Tight ends for the Bearcats are Gary Proffitt, 178-pound senior, and Alan Gillespie, 190-pound senior. The tackles are Tony Aguilera, 195-pound sophomore, and Matt Yocham, 250-pound senior. The guards are Rex Cook, 180-pound senior, and Davis Sellers, 170-pound junior. The center is Johnny Fulton, 175-pound junior.

The front four on defense for the Bearcats are Proffitt, 180, Warren Multer, 210-pound senior, Jimmy Smith, 195-pound senior, and Alan Gillespie, 190-pound senior. The linebackers are Travis, 200, and Greg Haley, 170-pound junior. The corners are Alan Richey, 170-pound senior, and Robert King, 140-pound senior. The three defensive backs are John Reyes, 160-pounds senior, McQueen, 150, and Rodriguez, 175.

Cisco Band, Wranglers To Perform

The Cisco Junior College Band and Wrangler Belles will present a nine-minute performance during the halftime of the Hamlin-Ballinger football game here Friday.

The Hamlin and Ballinger High School bands will also perform at the game.

The CJC Band and Belles have appeared in two Macy's Thanksgiving Day parades in New York and the Belles were featured in the NBC patriotic television special, "The Stars and Stripes Show," this past July.

The two groups are scheduled to perform at the Dallas Cowboy Green Bay Packers football game at Texas Stadium in Irving Sunday, two days after their Hamlin appearance.

Director of the Wrangler Band is Douglas Fry. Belles director is Mrs. Pat Owens.

School Board Seeks Bids On School Construction

The Board of Trustees of the Hamlin Independent School District voted here Monday evening to advertise for bids on the construction of the new Middle School, auditorium and other projects as approved in a recent bond election. Sealed bids will be opened Thursday, Nov. 20, 1975, at 2:30 p.m. in the high school cafeteria.

Plans and specifications for the four projects are available from Rihard and Huckabee, Andrews architects, who are in charge of the projects.

Tommy Huckabee went over the plans for the new buildings and other projects with the board members here Monday evening.

The \$1,750,000 project has been broken down into four projects by the architectural firm for the purpose of bidding. The projects are: "A" middle school, "B" auditorium, "C" high school additions, and "D" elementary school airconditioning.

The board also met with George B. Buescher, financial consultant, to begin the process of selling the

\$1,250,000 in bonds voted by the district. The bonds must be sold before the school can enter into a contract for the construction of the building. The board is currently working on plans to have the bonds rated by a New York bond rating firm.

Ex-Students Plan Memorial Display

The Ex-students Association officers have announced that a Memorial display window will be prepared at Mar-Jo's Merle Norman Cosmetic Studio for Homecoming Nov. 7-8.

All those with pictures of deceased ex-students or teachers of Hamlin Schools are asked to take them to Mrs. Robert Fowler at Mar-Jo's. Mrs. Fowler will be in charge of the window display.

All pictures must be picked up at Mar-Jo's the week after Homecoming.

Mrs. C. Weldon Griggs is in charge of decorating the vacant buildings in the downtown area to 'dress-up' for Homecoming.

The board, following a vote by the Senior Class, gave approval for the spring Graduation-Baccalaureate exercises to be held in the First Baptist Church auditorium again this year.

The board also adopted a new employment and dismissal policy to meet new state and federal regulations concerning non-discrimination because of sex. Also adopted was a policy concerning Title IX which prohibits sex discrimination in the school.

This policy reads: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

RAINFALL

Rainfall measured at 336 Northwest Third Street at 9 a.m. was .58, according to Bill Rountree, official recorder for Hamlin.

NEWS FROM . . .

McCauley

By Mrs. Fred Kemp

Fall weather is certainly in full swing with cooler weather and elements in the air adding grief to those who suffer from sinus and hay fever.

Both McCauley Junior High and Senior High football teams lost this week. Junior high lost by one touchdown to the Hermleigh Cardinals Thursday night. High school played their last non-conference game at O'Brien. Although we were defeated, good sportsmanship was shown by members of both teams and the officiating was good. High school will play their first conference game at McCauley Friday night with Highland.

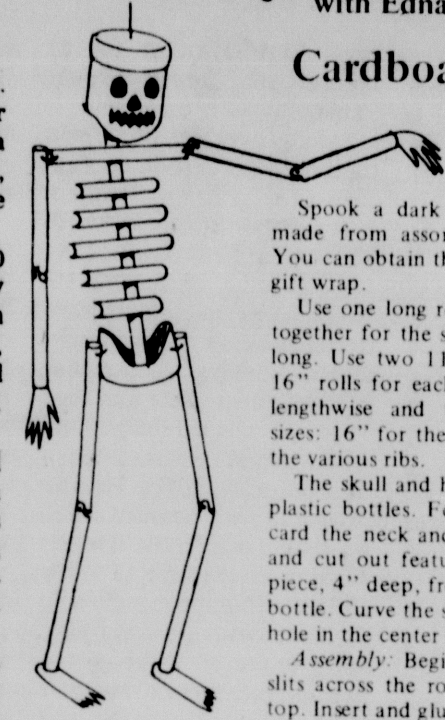

The Fred Kemps are enjoying a visit from Mr. and Mrs. Jim Kincaid and Jennifer Michele of Valdosta, Ga. Equally happy are the G.W. Kincaids of Hamlin. We will be sharing the granddaughter for another ten days at least.

McCauley Baptists are having students from Hardin-Simmons University conduct the morning and evening services Sunday. Lunch will be served at the church. We urge our youth to attend and enjoy these services.

Tiny Ann Smart, daughter of Mr. and Mrs. James Smart, spent the weekend at home from Texas Western College, Snyder, in time to attend the football game Friday night with O'Brien. Daniel Benavides, who is on leave from the Air Corps in Germany, also attended the game.

Scrap-Craft Fun with Edna Cardboard Rolls

Spook a dark corner with a scary skeleton made from assorted sizes of cardboard rolls. You can obtain the rolls from kitchen wrap and gift wrap.

Use one long roll or tape several smaller ones together for the spine - it should be about 28" long. Use two 11" rolls for each arm and two 16" rolls for each leg. Cut several rolls in half lengthwise and trim them to the following sizes: 16" for the shoulder bone; 9" to 12" for the various ribs.

The skull and hip bone are made from gallon plastic bottles. For the skull, cut off and discard the neck and handle of one bottle; invert and cut out features. For the hip bone, cut a piece, 4" deep, from the bottom of the second bottle. Curve the sides, as pictured, and punch a hole in the center to insert the spine.

Assembly: Begin with the shoulders. Cut two slits across the roll for the spine, 5" from the top. Insert and glue the shoulders. Glue each rib in place using the same method. Push the end of the spine into the hole in the hip bone and glue to hold. Attach the legs to the hip bone, and the arms to the shoulders by punching holes in each and fastening together with string or paper fasteners.

Punch holes in the top of the spine and the top of the skull. Thread a piece of string through the holes in the spine and make a large knot about 6" above the spine. Then thread the string through the skull and knot again, allowing enough for a hanger. Add paper hands and feet.

For table favors, make tiny skeletons from soda straws and cardboard. Glue to the side of a nut cup and fill the cup with goodies.

Favorite Recipes

I am one of the lucky ones. When I learned that the ladies of Oak Grove Baptist Church were compiling a cook book, I hurriedly placed my name on their 'list' to get a copy.

The project, under the direction of Glorine Holland, was done by the Junior Mission. Mrs. Holland said that several books were still to be assembled to fill the remaining orders.

With her permission, I have selected some of the recipes from the Oak Grove Community Cook Book and they will be appearing in this column as space and time permits.

Neinda Philosopher Takes A Close Look

At The CIA But Is Unable To See A Whole Lot

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a look at the CIA this week, but we aren't sure what he sees.

Dear editor:

Since I don't even know what's going on in Hamlin I couldn't be expected to know what's going on in Portugal, but an item in the paper about that country caught my attention the other day.

According to it, the CIA, after denying it, reluctantly admitted the U.S. contributed about 10 million dollars to Portugal in its struggle against Communism. The CIA said it was against national security to reveal this secret and did so only because Congress demanded to know. At the same time, it said it was justified in contributing the money because Russia had given about as much to the Communist side in Portugal.

I don't know anything about the CIA, but I figure if it knew what Russia was giving, Russia probably knew what the U.S. was giving, and the only group in the dark about the matter was you and me. As the Watergate gang learned, it's hard to undetectably transfer money from one country to another, say from Mexico to Washington.

I may be wrong about this,

FROM THE FILES . . .

FIFTY YEARS AGO

(Oct. 2, 1925)
E. A. Jones of Greenville came in Wednesday to spend the week to look after his farm interests. Mr. Jones is one of the big grocery merchants in Greenville and keeps a good eye on his Fisher County land near here. He is one of our many subscribers who keeps an eye on the Herald and never lets it get in the red.

Mrs. W. C. Gorman who has been a guest in the home of her brother, John T. Day and family returned Monday to her home in Dallas.

Vernon Vittitow, the handsome young barber who has been "tensoring" at the Imperial Shop has at last yielded to the call at Rotan and will likely take up a similar position in the city to the west this week. This will save on gasoline and also insure more sleep.

Mrs. J. T. Bynum was a hostess to the Twentieth Century Bridge Club, Thursday, Sept. 17, from 3 to 5 p.m. At the close of four games of Bridge, Mrs. Prater was declared the lucky winner of high score. The hostess served a salad course to Mesdames. Gray, rardue, Moore, Prater, Martin, Morgan, Payne, Berry, Frank Waggoner, Mirik and Miss Dorie Mirik of Amarillo. After a short business session the club adjourned to meet with Mrs. Davenport Thursday, Oct. 1.

(Oct. 16, 1925)

Judge E. V. Hardwick, recently appointed County Attorney, was here Tuesday on business. Mr. Hardwick announces that his firm, Davenport and Hardwick, is opening an office for civil practice at Anson, and Mr. Hardwick and his family will reside in Anson.

The Methodist Church had 250 present last Sunday and we appreciate the many new students, and the good work which is being done in the school. We hope to see you in your place next Sunday.

Sunday evening at 7:30 p.m. the choir will render a program. The entire hour will be given to them. This is going to be one of the best musicals ever given in Hamlin. Let's give the choir a good audience Sunday evening.

J. E. Smith of Marlow, Oklahoma, came down Wednesday to look after the farming interest west of town.

TEN YEARS AGO

(Oct. 7, 1965)
Dr. Robert Clinton, superintendent of the Snyder Schools, will be the speaker for the Layman's Day service at First Methodist Church Sunday morning. Wesley Nail is the charge Lay Leader. The choir will be filled by men. Rev. Royce Womack is the local pastor.

The Calvary Baptist W.M.A. will sponsor a bake sale Saturday morning, Oct. 9. They will also hold a rummage sale. The sale is scheduled to begin at 8 p.m. in front of the Hassen Building.

The Hamlin Freshmen will host the Aspermont Frosh this evening at 7 p.m. and the B team will travel to Trent to take on the Trent Varsity at 7 p.m. The freshmen game was originally to be held at 6 p.m. but was changed to 7 p.m. The seventh grade will play Aspermont there Saturday morning. And the seventh and eighth grades will journey to Anson Tuesday for a rematch.

Football tickets for the Hamlin-Ballinger game are now on sale at three local drug stores. All football tickets sold here in Hamlin sold prior to a district game will net the local school an extra 25 cents as the school retains the reserve seat portion of the price.

(Oct. 14, 1965)

New times have been set for Sunday evening activities at Faith Methodist Church, according to the pastor, Rev. Tommy Ewing. Evening worship will be at 6 p.m., MYF 5:15 p.m. and children's story time at 5:30 p.m. Also the church announces a pie supper to be held at the church Wednesday, Oct. 20 at 6:30 p.m. The public is invited.

The Parent-Teacher Association will launch their annual magazine drive here Friday and will also be selling subscriptions to the Hamlin Herald this year. The ten-day sale will be concluded Oct. 25. Elementary and primary students will be selling Herald subscriptions only.

The congregation of Primitive Baptist Church has announced that a singing will be held every Wednesday at 7:30 p.m. and the public is invited. Also the church is making plans for the fifth Sunday Meeting to be held from Friday, Oct. 29, through Sunday Oct. 31.

Anniversary, Homecoming Set Sunday

Students of the old Stamford College (1907-1918) and members of the congregation of St. John's United Methodist Church in Stamford are combining forces on Sunday to celebrate the college's homecoming and the church's 75th Anniversary.

Registration will begin at 10 a.m.; former pastors and students will be recognized at 10:30 a.m., and the morning worship service, with the Rev. Bourdon Smith speaking, will begin at 11 a.m.

A meal will be catered and served in the fellowship hall at noon and those present will be able to view the many pictures, annuals of the college and other exhibits that will be on display.

The church, which was organized in 1900, built its present structure to accommodate the students of Stamford College. When the college burned in 1918, however, it was moved to Abilene and became what is presently known as McMurry College. The historical committee of the church has worked long and hard to write the history of these two organizations, compiling an informative and interesting collection of pictures and memorabilia. Copies of this history will be on sale for \$3.50 each.

Pipers Take 59-8 Win From Winters

The Pipers evened up their district record Friday night at Winters with an easy, 59-8, victory over the Blizzards. The Pipers rolled up over 400 yards in total offense and scored in every quarter to dominate the Blizzards.

Seven different Pipers made it across the Winters goal line with Daniel Willis and Delbert Thompson each scoring twice. Joining Willis and Thompson in the scoring column were Robert Phariss, Russell May, Stan Jones, Mack Lee and Alan Steele. Willis also kicked five extra points to take top scoring honors.

Phariss was the night's top rusher with 113 yards in six carries, one of which was a 79-yard touchdown run. He was followed by Willis with 10 for 55, Thompson with 8 for 53, May with 6 for 47, Jones with 6 for 35 and Lee with 5 for 21.

The passing combination of Gerald Rodgers to Steele was good for two completions for 63 yards. One was for 47 yards and a touchdown.

Marvin Moore, one of the two quarterbacks used by Winters, was the top rusher for the Blizzards with 45 yards in 13 carries. He completed 1 of 10 passes for 23 yards and had four intercepted. Jeff Russell, Winters' other quarterback, lost 17 yards in five attempts and completed 6 of 11 passes for 54 yards and had one intercepted.

Winters took the opening kickoff and started play from their own 13. Four plays later they were forced to punt from the 12 after Moore was dropped for a nine-yard loss by Thompson. The Blizzard punt was short and the Pipers took over on the Winters 27. Willis carried for three, Phariss for one and then Thompson broke over his right guard for 23 yards and the score. The point after try failed.

Winters failed to make a first following the kickoff and punted again, this time for 19 yards to the Hamlin 47. The Pipers moved to the Winters 23 before losing the ball on a fumble.

The two teams exchanged punts on their next possessions with Winters punting for 22 yards and Hamlin punting 40 yards to the Winters 28.

Winters was again forced to punt, but a roughing the kicker penalty was called on Hamlin and the Blizzards picked up their first first down at the Winters 43. Charlie Brown picked off the first of five interceptions and returned it 21 yards to the

Winters 47. Rodgers found Steele behind the Winters secondary and the fleet wide receiver raced into the end zone for a 47-yard touchdown play. Willis added the point after.

Jones recovered a Blizzard fumble on the second play following the kickoff at the Winters 24. The Blizzards were penalized to the 12 and then Thompson carried for six, Phariss for three and then Thompson scored from the four. The point after was no good.

Again the Blizzards failed to move the ball and were forced to punt. Phariss returned the punt about 25 yards before fumbling with the Blizzards recovering at their own 25. Winters picked

up a first down at the 37 before being forced to punt again.

Taking over on their own 25, the Pipers opened up a 12-play scoring drive. Rodgers connected with Steele for 16 yards for a first down at the 41. Following an incomplete pass, Willis gained another first down on a 10-yard carry to the Winters 49. Another pass fell incomplete and then Thompson carried for six and Willis added 14 more for a first down at the 31. Hamlin drew a 15-yard penalty which put them back on the Winters 35. May carried for 13 yards and then Thompson picked up the first down on a six-yard carry to the 17. Willis gained two and then went around his right end for 15 yards and the score. He added the extra point to give the Pipers a 26-0 lead with 2:05 left in the first half.

Winters opened up their only scoring drive of the night following the kickoff. They moved the ball 83 yards in eight plays, aided by a 15-yard penalty against the Pipers. Moore scored from the four-yard line with six seconds left in the half. He passed to Leroy Jones for the two points.

A 15-yard penalty put the Pipers back on their own 21 following the second half kickoff. With good blocking, Phariss took the pitch on the first play from scrimmage and raced untouched for 79 yards for the score. Willis kicked the point after to give the Pipers a 33-8 lead with 11:42 left in the second half.

May intercepted Moore's pass on the first play following the kickoff and returned it to the Winters 23. A 15-yard penalty put the Pipers back on the 38. Rodgers carried for five, Willis lost three and then gained seven. Thompson carried for three and then Jones carried for 22 yards to the five. It took Jones three tries to make it into the end zone for the score. Willis' kick was blocked.

Steele intercepted Moore's next pass following the kickoff and returned it to the Winters 32. The Pipers

fumbled the ball back to the Blizzards on the next play and then two plays later Thompson intercepted another Winters pass and returned it to the 15.

Thompson carried for three, Lee for three, Drew Tomlinson one and then May picked up the first down on a six-yard carry to the two. May carried in for the score on the next play. Willis kicked the point after to make the score 46-8.

David Moore recovered a Winters fumble on the Blizzard 37 to give the Pipers their next scoring opportunity. Lee carried for gains of three and 10, Jones carried for eight and then May picked up seven more. Jones was stopped for no gain, May carried for four and Lee was dropped for a yard loss. On fourth down, Lee carried around his right end for the score. Willis again added the point after.

Willis picked off a Moore pass to put the Pipers back in business on the Winters 30 yard line. Phariss picked up nine yards, May 15 and then Willis carried over right guard for six and the score. His point after try failed. This gave the Pipers a 59-8 lead with 10:43 left in the game.

The Blizzards again failed to move the ball and punted to the Hamlin 42. At this point the linemen took over the rushing duties for the Pipers with Raymond Jordan carrying for one, Rick Craig for one and Ken Maberry was held for no gain. Following a five-yard penalty, Rodgers punted to the Winters 20.

Winters picked up a first down at the 32 and then punted from the 25 following a 15-yard penalty. This time David Moore carried for one, Donnie Nelson's carrying was cancelled out by a 15-yard Winters penalty to give the Pipers a first down at the 28. Alan Young carried for two, Kyle Jackson for no gain, Tomlinson was dropped for a yard loss and then Paul Reynolds carried for two.

Winters ran four plays for 11 yards before the clock ran out.

United Way General Drive Starts Monday

Thanks to the Coahoma Bulldogs and their 15-14 win over the Anson Tigers Friday night, the Pipers are back in the running for the District 6-AA title chase. But their real test will come this Friday when they host the Ballinger Bearcats.

The Bearcats are undefeated and are favorites to win the district this season. Ballinger is the only remaining undefeated team in the district and are ranked in the top 10 of both the AP and Harris rating systems.

For the Pipers it will be their only chance to stay in the title race as a loss to Ballinger would just about eliminate any chance for even a share of the title. The Pipers must win their next four games and then hope that Anson loses or ties one of their remaining four games for the Pipers to make it into the playoffs for the fourth year in a row.

The Pipers must play at their best this week and will need all of the support they can get from their fans if they are to knock off the Bearcats. Like Anson, this is the week that the Ballinger team has been looking forward to since their 10-7 loss to Hamlin last year.

Newspapers across the state recently received notice about the changes in state laws regarding political advertising and this has brought on some editorial comments that are worth repeating here.

It will probably be next spring before there will be any amount of political advertising being placed with us here at the Herald, but it seems well to point out some of these changes in advance.

One change is that now newspapers may not charge any more for political advertising than for other categories of advertising. This does not affect us because we have always charged the same rates.

The one big change that will have an effect on us and most newspapers is that the new law requires cash with copy for political advertising and there are penalties for not getting cash with order. The penalties are quite severe. The state can collect a fine of triple the value of the political ad plus another \$10,000. Any officer or director of a corporation consenting to the extension of credit for a political ad can be fined \$5,000 and imprisoned for five years.

This means us, because the Herald is owned by a corporation and we are president of it. As some publishers have stated, we do not know if this law will be tested, but we don't have any desire to be the one to find out.

We have always tried to have a cash with order policy for political advertising because it is hard to collect from a losing candidate, but have not enforced this locally to any great extent. But from now on even our best friends had better plan on paying cash in advance for any political advertising they wish to place in the Herald.

The question of publishing name and address on the ad has also been toughened up. We are required to print on the political ad the name and address of either the person who personally entered into the contract or transaction with the printer or publisher or in whose behalf such contract or transaction was entered into.

Each candidate is required to name a campaign treasurer before making any campaign expenditure.

This is a little early to worry about political campaigns but we just want everyone to know in advance that we are not picking on you when we require cash in advance next spring when the primary elections get underway.

The general kickoff meeting for Hamlin's first United Way Campaign will be held here Monday evening at 7:30 in the high school cafeteria, according to Jim Smith, campaign chairman.

Marvin Justice, executive director of the United Way in Abilene, will be the speaker.

All division chairmen and workers are invited to attend the kickoff meeting. This meeting will launch the main segment of the local drive and will include the employees, school, farmers and door-to-door divisions.

The business division of the campaign opened here Monday and the advanced division got underway last week. Heading the business division are Luther Haught, chairman, Mrs. Robert Fowler and Pat Willoughby. Heading the advance division are Joe Ford, chairman, Lewis Madden and Mrs. L. H. McBride.

Chairmen for the segment of the drive opening Monday are: farmers division, Bobby Crowley, chairman; John Scarborough, Milburn Wink and Bill Feagan; employees division: O. H. Weaver,

chairman; and Mrs. Luther Haught; school division: Bob Hawes, chairman; door to door division: Mrs. Bill Feagan, chairman; and Mrs. Roy Pritchard.

The United Way Campaign is seeking to raise \$9,000 to support 14 agencies this year.

The 14 agencies taking part in this United Way Campaign and the amount budgeted for each are:

Birth Defects	\$200
West Texas Rehabilitation Center	\$1,200
Cancer Research	\$500
Salvation Army	\$800
Heart Research	\$200
Arthritis Foundation	\$200
Summer Recreation Program	\$300
Summer Baseball Programs (Boys and Girls)	\$1,300
Hamlin Child Care Center	\$1,500
Boy Scouts of America	\$750
Girl Scouts of America	\$750
Local Scouting Activities	\$500
Hamlin Stock Show	\$500
Campaign Expenses	\$300
TOTAL	\$9,000

Should the drive fail to reach its goal, Smith said that each unit will receive its proportionate share of the money raised.

The emphasis for this entire series will be on the need for man to commit himself totally to Christ and the revealed will of God. We want to get to know our friends in Hamlin much better and to share these periods of fellowship and worship with everyone. We also want to help each one to find the abundant life that can only be found in Jesus. For these reasons we invite you to attend these services."

2 Convicted In Welfare Fraud Cases

A Hamlin man and a Stamford woman have been the first to be convicted of defrauding the welfare department in connection with the recent arrest of several persons in Jones County found to be in violation of welfare requirements.

Albert Williams of Hamlin pleaded guilty in Jones County court last Tuesday and was fined \$200, given a 30-day jail term and asked to make restitution to the State Welfare Department.

Lucinda Ford of Stamford was sentenced to 180 days and was placed on two year's probation in a case this week. She must make \$1950 in restitution to the Welfare Department. She told the court that she forgot to report income from a second job.

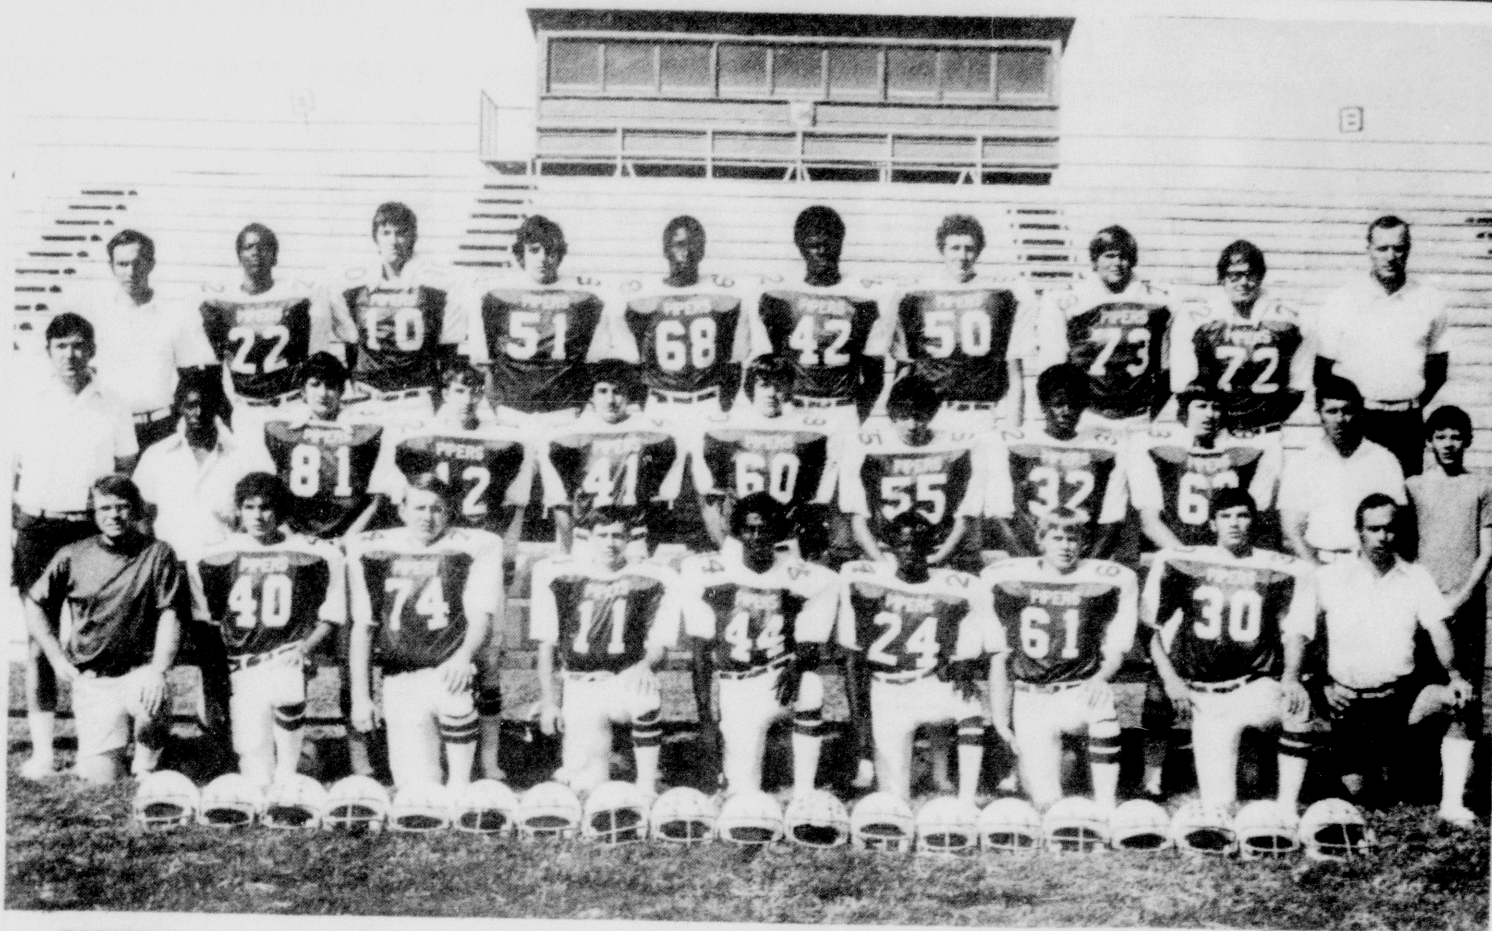

Four more trials are pending.

BEARCATS RANKED THIRD IN STATE—

Pipers to Host Ballinger In Crucial 6-AA Contest

The District 6-AA title could be on the line here Friday night when the Pipers host the Ballinger Bearcats, ranked third in the state in the AP poll. Kickoff time for the contest will be 7:30.

The undefeated Bearcats will be coming off of a week's rest and are 5-0 for the season and 1-0 in district play. The Pipers are 4-1 for the season and 1-1 in district play. The only common foe of the two teams is Winters with the Bearcats defeating the Blizzards 35-7 and the Pipers defeating them 59-8.

The Pipers moved back into contention for the District 6-AA title this week following Anson's loss to the

Coahoma Bulldogs Friday, 15-14. Coahoma now leads the district standings with two wins and no losses. Stamford and Ballinger each own one win and no losses while Hamlin and Anson each have 1-1 records. Winters and Colorado City have lost both their conference games.

While Coahoma was defeating, Anson 15-14, and Hamlin was running over Winters, 59-8, the Stamford Bulldogs were defeating Colorado City, 27-20, to round out last week's district play. This week Stamford and Anson will play at Stamford and Coahoma will host Winters.

The Bearcats have scored

120 points this season while holding their opponents to 27. They defeated Brady, 20-7; Regan County, 14-0; Ozona, 31-6; Coleman, 20-7; and Winters, 35-7.

The Bearcats operate from a Wishbone attack with Joey McQueen, 155-pound senior, at quarterback. Last year McQueen completed five of nine passes against the Pipers for 87 yards and one touchdown. Making the Wishbone go for the Bearcats is their big fullback, Tim Travis, 200 pound senior. The two halfbacks are Ellis Snell, 185 pound junior, and Mike Rodriguez, 175 pound senior. Rodriguez was the leading ground gainer last year when

the Pipers defeated the Bearcats, 10-7. He carried the ball 22 times for 93 yards.

Tight ends for the Bearcats are Gary Proffitt, 178-pound senior, and Alan Gillespie, 190-pound senior. The tackles are Tony Aguilera, 196-pound sophomore, and Matt Yocham, 250-pound senior. The guards are Rex Cook, 180-pound senior, and Davis Sellers, 170-pound junior. The center is Johnny Fulton, 175-pound junior.

The front four on defense for the Bearcats are Proffitt, 180, Warren Multer, 210-pound senior, Jimmy Smith, 195-pound senior, and Alan Gillespie, 190-pound senior. The linebackers are Travis, 200, and Greg Haley, 170-pound junior. The corners are Alan Richey, 170-pound senior, and Robert King, 140-pound senior. The three defensive backs are John Reyes, 160-pounds senior, McQueen, 150, and Rodriguez, 175.

Cisco Band, Wranglers To Perform

The Cisco Junior College Band and Wrangler Belles will present a nine-minute performance during the halftime of the Hamlin-Ballinger football game here Friday.

The Hamlin and Ballinger High School bands will also perform at the game.

The CJC Band and Belles have appeared in two Macy's Thanksgiving Day parades in New York and the Belles were featured in the NBC patriotic television special, "The Stars and Stripes Show," this past July.

The two groups are scheduled to perform at the Dallas Cowboy Green Bay Packers football game at Texas Stadium in Irving Sunday, two days after their Hamlin appearance.

Director of the Wrangler Band is Douglas Fry. Belles director is Mrs. Pat Owens.

School Board Seeks Bids On School Construction

The Board of Trustees of the Hamlin Independent School District voted here Monday evening to advertise for bids on the construction of the new Middle School, auditorium and other projects as approved in a recent bond election. Sealed bids will be opened Thursday, Nov. 20, 1975, at 2:30 p.m. in the high school cafeteria.

Plans and specifications for the four projects are available from Rihard and Huckabee, Andrews architects, who are in charge of the projects.

Tommy Huckabee went over the plans for the new buildings and other projects with the board members here Monday evening.

The \$1,750,000 project has been broken down into four projects by the architectural firm for the purpose of bidding. The projects are: "A" middle school, "B" auditorium, "C" high school additions, and "D" elementary school airconditioning.

The board also met with George B. Buescher, financial consultant, to begin the process of selling the

\$1,250,000 in bonds voted by the district. The bonds must be sold before the school can enter into a contract for the construction of the building. The board is currently working on plans to have the bonds rated by a New York bond rating firm.

Ex-Students Plan Memorial Display

The Ex-students Association officers have announced that a Memorial display window will be prepared at Mar-Jo's Merle Norman Cosmetic Studio for Homecoming Nov. 7-8.

All those with pictures of deceased ex-students or teachers of Hamlin Schools are asked to take them to Mrs. Robert Fowler at Mar-Jo's. Mrs. Fowler will be in charge of the window display.

All pictures must be picked up at Mar-Jo's the week after Homecoming.

Mrs. C. Weldon Griggs is in charge of decorating the vacant buildings in the downtown area to 'dress-up' for Homecoming.

The board, following a vote by the Senior Class, gave approval for the spring Graduation-Baccalaureate exercises to be held in the First Baptist Church auditorium again this year.

The board also adopted a new employment and dismissal policy to meet new state and federal regulations concerning non-discrimination because of sex. Also adopted was a policy concerning Title IX which prohibits sex discrimination in the school.

This policy reads: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

RAINFALL

Rainfall measured at 336 Northwest Third Street at 9 a.m. was .58, according to Bill Rountree, official recorder for Hamlin.

NEWS FROM ... McCaulley By Mrs. Fred Kemp

Fall weather is certainly in full swing with cooler weather and elements in the air adding grief to those who suffer from sinus and hay fever.

Both McCaulley Junior High and Senior High football teams lost this week. Junior high lost by one touchdown to the Hermleigh Cardinals Thursday night. High school played their last non-conference game at O'Brien. Although we were defeated, good sportsmanship was shown by members of both teams and the officiating was good. High school will play their first conference game at McCaulley Friday night with Highland.

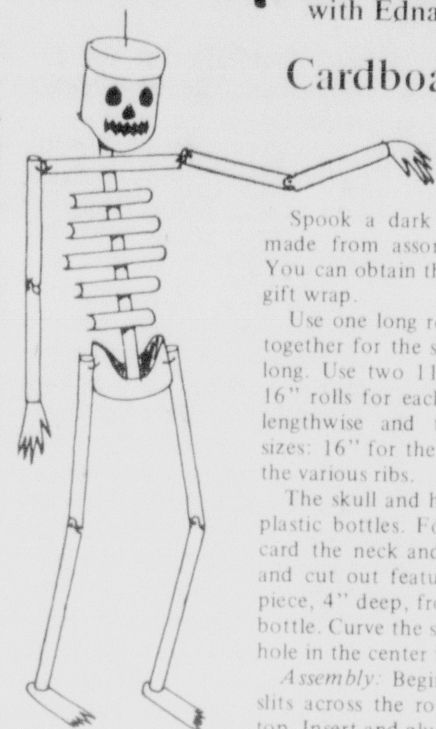

The Fred Kemps are enjoying a visit from Mr. and Mrs. Jim Kincaid and Jennifer Equale of Valdosta, Ga. Equally happy are the G. W. Kincaids of Hamlin. We will be sharing the granddaughter for another ten days at least.

McCaulley Baptists are having students from Hardin-Simmons University conduct the morning and evening services Sunday. Lunch will be served at the church. We urge our youth to attend and enjoy these services.

Tiny Ann Smart, daughter of Mr. and Mrs. James Smart, spent the weekend at home from Texas Western College, Snyder, in time to attend the football game Friday night with O'Brien. Daniel Benavides, who is on leave from the Air Corps in Germany, also attended the game.

Scrap-Craft Fun with Edna Cardboard Rolls

Spook a dark corner with a scary skeleton made from assorted sizes of cardboard rolls. You can obtain the rolls from kitchen wrap and gift wrap.

Use one long roll or tape several smaller ones together for the spine - it should be about 28" long. Use two 11" rolls for each arm and two 16" rolls for each leg. Cut several rolls in half lengthwise and trim them to the following sizes: 16" for the shoulder bone; 9" to 12" for the various ribs.

The skull and hip bone are made from gallon plastic bottles. For the skull, cut off and discard the neck and handle of one bottle; invert and cut out features. For the hip bone, cut a piece, 4" deep, from the bottom of the second bottle. Curve the sides, as pictured, and punch a hole in the center to insert the spine.

Assembly: Begin with the shoulders. Cut two slits across the roll for the spine, 5" from the top. Insert and glue the shoulders. Glue each rib in place using the same method. Push the end of the spine into the hole in the hip bone and glue to hold. Attach the legs to the hip bone, and the arms to the shoulders by punching holes in each and fastening together with string or paper fasteners.

Punch holes in the top of the spine and the top of the skull. Thread a piece of string through the holes in the spine and make a large knot about 6" above the spine. Then thread the string through the skull and knot again, allowing enough for a hanger. Add paper hands and feet.

For table favors, make tiny skeletons from soda straws and cardboard. Glue to the side of a nut cup and fill the cup with goodies.

Favorite Recipes By Barbara Craig

I am one of the lucky ones. When I learned that the ladies of Oak Grove Baptist Church were compiling a cook book, I hurriedly placed my name on their 'list' to get a copy.

The project, under the direction of Glorine Holland, was done by the Junior Mission. Mrs. Holland said that several books were still to be assembled to fill the remaining orders.

With her permission, I have selected some of the recipes from the Oak Grove Community Cook Book and they will be appearing in this column as space and time permits.

Neinda Philosopher Takes A Close Look At The CIA But Is Unable To See A Whole Lot

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a look at the CIA this week, but we aren't sure what he sees.

Dear editor:

Since I don't even know what's going on in Hamlin I couldn't be expected to know what's going on in Portugal, but an item in the paper about that country caught my attention the other day.

According to it, the CIA, after denying it, reluctantly admitted the U.S. contributed about 10 million dollars to Portugal in its struggle against Communism. The CIA said it was against national security to reveal this secret and did so only because Congress demanded to know. At the same time, it said it was justified in contributing the money because Russia had given about as much to the Communist side in Portugal.

I don't know anything about the CIA, but I figure if it knew what Russia was giving, Russia probably knew what the U.S. was giving, and the only group in the dark about the matter was you and me. As the Watergate gang learned, it's hard to undetectedly transfer money from one country to another, say from Mexico to Washington.

I may be wrong about this,

but it seems to me in a situation like Portugal or some other countries we've taken a hand in, our furnishing money and arms to the government to keep it from going one way, and Russia's furnishing money and arms to get it to go the other way, is like a basketball team taking money from one side to throw the game its way, and then taking money from another side to throw it the other way.

This is confusing to everybody, especially to the basketball players, unless they get a cut of the bride money and don't really care who wins. Actually, in this day and time, when trying to keep the secret of something like the atom bomb is like trying to keep the secret of the bicycle or the motor-scooter, nations might be just as well off trying to take care of their own business right out in public.

As for the CIA, I'm sure we need it, but its men seem to be trained for just a few

things. For example, it would have been handy to know, and not hard to find out, that Russia had a short grain crop two years ago and again this year, but the CIA simply has nobody in its outfit trained to look out the window and see if Russia needs a rain.

Yours faithfully,
J.A.

FIFTY YEARS AGO

E. A. Jones of Greenville came in Wednesday to spend the week to look after his farm interests. Mr. Jones is one of the big grocery merchants in Greenville and keeps a good eye on his Fisher County land near here. He is one of our many subscribers who keeps an eye on the Herald and never lets it get in the red.

Mrs. W. C. Gorman who has been a guest in the home of her brother, John T. Day and family returned Monday to her home in Dallas.

Vernon Vittitow, the handsome young barber who has been "tonsorialing" at the Imperial Shop has at last yielded to the call at Rotan and will likely take up a similar position in the city to the west this week. This will save on gasoline and also insure more sleep.

Mrs. J. T. Bynum was a hostess to the Twentieth Century Bridge Club, Thursday, Sept. 17, from 3 to 5 p.m. At the close of four games of Bridge, Mrs. Prater was declared the lucky winner of high score. The hostess served a salad course to Mesdames. Gray, Carue, Moore, Prater, Martin, Morgan, Payne, Berry, Frank Waggoner, Mirik and Miss Dorie Mirik of Amarillo. After a short business session the club adjourned to meet with Mrs. Davenport Thursday, Oct. 1.

Train service on the Hamlin to Altus section of the Santa Fe Railway has been hampered this week by washed-out track sections on the Brazos River near Knox City and on the Wichita River by Wichita Falls. The wash-outs were caused by high water in those areas over the weekend.

Holy Smoke! That was the conclusion of members of the Hamlin Fire Dept. who answered the call to the North Central Avenue Baptist Church about 2 p.m. Tuesday afternoon. City insect fogging equipment was being used at the church in a mosquito fight, and fumes were pouring from the church. A nearby citizen, seeing the fumes and mistaking them for smoke, turned in the fire alarm. Nobody was burned - but a lot of mosquitoes are reported to have been singed.

Splendid year of Operation during the year preceeding Sept. 30 of the Hamlin Memorial Hospital Association was contained in the annual audit report submitted at the annual Stockholders meeting of the unit Sunday afternoon at the high school auditorium according to J. E. Patterson, secretary.

Anniversary, Homecoming Set Sunday

Students of the old Stamford College (1907-1918) and members of the congregation of St. John's United Methodist Church in Stamford are combining forces on Sunday to celebrate the college's homecoming and the church's 75th Anniversary.

Registration will begin at 10 a.m.; former pastors and students will be recognized at 10:30 a.m., and the morning worship service, with the Rev. Bourdon Smith speaking, will begin at 11 a.m.

A meal will be catered and served in the fellowship hall at noon and those present will be able to view the many pictures, annuals of the college and other exhibits that will be on display.

The church, which was organized in 1900, built its present structure to accommodate the students of Stamford College. When the college burned in 1918, however, it was moved to Abilene and became what is presently known as McMurry College. The historical committee of the church has worked long and hard to write the history of these two organizations, compiling an informative and interesting collection of pictures and memorabilia. Copies of this history will be on sale for \$3.50 each.

Pipers Take 59-8 Win From Winters

The Pipers evened up their district record Friday night at Winters with an easy, 59-8, victory over the Blizzards. The Pipers rolled up over 400 yards in total offense and scored in every quarter to dominate the Blizzards.

Seven different Pipers made it across the Winters goal line with Daniel Willis and Delbert Thompson each scoring twice. Joining Willis and Thompson in the scoring column were Robert Phariss, Russell May, Stan Jones, Mack Lee and Alan Steele. Willis also kicked five extra points to take top scoring honors.

Phariss was the night's top rusher with 113 yards in six carries, one of which was a 79-yard touchdown run. He was followed by Willis with 10 for 55, Thompson with 8 for 53, May with 6 for 47, Jones with 6 for 35 and Lee with 5 for 21.

The passing combination of Gerald Rodgers to Steele was good for two completions for 63 yards. One was for 47 yards and a touchdown.

Marvin Moore, one of the two quarterbacks used by Winters, was the top rusher for the Blizzards with 45 yards in 13 carries. He completed 1 of 10 passes for 23 yards and had four intercepted. Jeff Russell, Winters' other quarterback, lost 17 yards in five attempts and completed 6 of 11 passes for 54 yards and had one intercepted.

Winters took the opening kickoff and started play from their own 13. Four plays later they were forced to punt from the 12 after Moore was dropped for a nine-yard loss by Thompson. The Blizzard punt was short and the Pipers took over on the Winters 27. Willis carried for three, Phariss for one and then Thompson broke over his right guard for 23 yards and the score. The point after try failed.

Winters failed to make a first following the kickoff and punted again, this time for 19 yards to the Hamlin 47. The Pipers moved to the Winters 23 before losing the ball on a fumble.

The two teams exchanged punts on their next possessions with Winters punting for 22 yards and Hamlin punting 40 yards to the Winters 28.

Winters was again forced to punt, but a roughing the kicker penalty was called on Hamlin and the Blizzards picked up their first first down at the Winters 43. Charlie Brown picked off the first of five interceptions and returned it 21 yards to the

Winters 47. Rodgers found Steele behind the Winters secondary and the fleet wide receiver raced into the end zone for a 47-yard touchdown play. Willis added the point after.

Jones recovered a Blizzard fumble on the second play following the kickoff at the Winters 24. The Blizzards were penalized to the 12 and then Thompson carried for six, Phariss for three and then Thompson scored from the four. The point after was no good.

Again the Blizzards failed to move the ball and were forced to punt. Phariss returned the punt about 25 yards before fumbling with the Blizzards recovering at their own 25. Winters picked

up a first down at the 37 before being forced to punt again. Taking over on their own 25, the Pipers opened up a 12-play scoring drive. Rodgers connected with Steele for 16 yards for a first down at the 41. Following an incomplete pass, Willis gained another first down on a 10-yard carry to the Winters 49. Another pass fell incomplete and then Thompson carried for six and Willis added 14 more for a first down at the 31. Hamlin drew a 15-yard penalty which put them back on the Winters 35. May carried for 13 yards and then Thompson picked up the first down on a six-yard carry to the 17. Willis gained two and then went around his right end for 15 yards and the score. He added the extra point to give the Pipers a 26-0 lead with 2:05 left in the first half.

Winters opened up their only scoring drive of the night following the kickoff. They moved the ball 83 yards in eight plays, aided by a 15-yard penalty against the Pipers. Moore scored from the four-yard line with six seconds left in the half. He passed to Leroy Jones for the two points.

A 15-yard penalty put the Pipers back on their own 21 following the second half kickoff. With good blocking, Phariss took the pitch on the first play from scrimmage and raced untouched for 79 yards for the score. Willis kicked the point after to give the Pipers a 33-8 lead with 11:42 left in the second half.

May intercepted Moore's pass on the first play following the kickoff and returned it to the Winters 23. A 15-yard penalty put the Pipers back on the 38. Rodgers carried for five, Willis lost three and then gained seven. Thompson carried for three and then Jones carried for 22 yards to the five. It took Jones three ore tries to make it into the d zone for the score. Willis's kick was blocked.

Steele intercepted Moore's next pass following the kickoff and returned it to the Winters 32. The Pipers

fumbled the ball back to the Blizzards on the next play and then two plays later Thompson intercepted another Winters pass and returned it to the 15.

Thompson carried for three, Lee for three, Drew Tomlinson one and then May picked up the first down on a six-yard carry to the two. May carried in for the score on the next play. Willis kicked the point after to make the score 46-8.

David Moore recovered a Winters fumble on the Blizzard 37 to give the Pipers their next scoring opportunity. Lee carried for gains of three and 10, Jones carried for eight and then May picked up seven more. Jones was stopped for no gain. May carried for four and Lee was dropped for a yard loss. On fourth down, Lee carried around his right end for the score. Willis again added the point after.

Willis picked off a Moore pass to put the Pipers back in business on the Winters 30 yard line. Phariss picked up nine yards, May 15 and then Willis carried over right guard for six and the score. His point after try failed. This gave the Pipers a 59-8 lead with 10:43 left in the game.

The Blizzards again failed to move the ball and punted to the Hamlin 42. At this point the linemen took over the rushing duties for the Pipers with Raymond Jordan carrying for one, Rick Craig for one and Ken Maberry was held for no gain. Following a five-yard penalty, Rodgers punted to the Winters 20.

Winters picked up a first down at the 32 and then punted from the 25 following a 15-yard penalty. This time David Moore carried for one, Donnie Nelson's carrying was cancelled out by a 15-yard Winters penalty to give the Pipers a first down at the 28. Alan Young carried for two, Kyle Jackson for no gain, Tomlinson was dropped for a yard loss and then Paul Reynolds carried for two.

Winters ran four plays for 11 yards before the clock ran out.
